

## TEA AND CLAY

MUDSLINGERS MAY 7 - JUNE 3 ART WALK MAY 12

# MAY 12TH ART WALK AT THE MANLEY

While enjoying your stroll around the gallery, viewing the members art for the month, you will have the opportunity to sample a selection of teas, poured from the unique teapots created by the Manley's Featured Artists, the MUDSLINGERS. These simple teapots are part of their artistically crafted works that are showing in the gallery. The members of our clay group look forward to giving you a refreshing drink of tea and some tasty treats.
