PRINTMAKING FUN!

This is a free local art workshop brought to you by Gold Beach Art Enthusiasts and Curry Arts

Saturday March 9 @10am-1pm
Curry Public Library, Gold Beach

Print with us! Come try out an ages old technique of intaglio printing. The prints will be made using a tabletop sized printing press which was made on the 3D printer at our very own Curry Public Library District. At this workshop we will have a tour of the Tech Lab at the library and experiment with various printing techniques using a variety of printmaking supplies. If you have printmaking supplies available, please bring them for demonstration if you'd like.

All ages & artistic abilities welcome. No prior print knowledge necessary.
