

Southern Coos Hospital & Health Center Quarterly Art Show

Call to Artists January 2022

Sunrise to Sunset: Chasing the Light

During the less sunny time of the year let's fill the walls with LIGHT. Use landscape, still life, portraiture, architecture, abstract, or other works to portray light. You can choose to show a contrast of light and dark, the mood of candle or firelight, colorful sunrises or sunsets, a quiet foggy day, or whatever you can imagine that features light.

The Southern Coos Hospital & Health Center will host a show of artworks relating to the theme of *Sunrise to Sunset: Chasing the Light*. This show runs January through March 2022. As usual, you can be creative in your interpretation of the theme, keeping in mind that art on the hospital walls is meant to entertain and de-stress the patients, families, staff, and general visitors. It is not a venue for nudity, violence, morbidity, or as a political soapbox. Thank you for your continued positive approach to art in these shows.

Artists may enter 1-3 pieces using painting, collage, mixed media, drawing, photography or assemblage in all artistic styles: representational, abstract, impressionistic, or futuristic. All works must be able to be hung on the wall.

Southern Coos Hospital & Health Center's Art Program continues to remain free to enter. Please consider donating to the Hospital's Art Fund if you are able. For more information, please email Scott at foundation@southerncoos.org.
