

CURRY ARTS 5-28-19 MINUTES

BOARD MEMBERS PRESENT: Paul Renner, Julie Wilson, Magda Druzdzal, Tammy DeLaney, Theresa Hendrix, Janee Lensing.

Meeting began at 5:00 p.m. Minutes from 4/16/19 meeting approved by Paul, second by Julie.

WINE FEST RECAP: Magda said lighting in Docia Hall is not good for selling art. She said for her to do show again next year the lighting issue would need to be addressed or possibly moving art show upstairs to balcony area. The committee discussed the pros and cons of the show going upstairs. The biggest challenge is getting people to go upstairs to see the art. Past events at this venue with art upstairs didn't generate much traffic. It was also the general consensus that the fairgrounds would not be willing to pay for improved lighting downstairs. Magda suggested Curry Arts and/or artists bring in their own lighting, as in clamp on lights and strings of lights.

BREW FEST: Theresa said she will be out of town but has recruited Julie to take on the art show, with the help of the rest of board. Theresa will organize info needed and supply Julie with it. Art check-in will be Friday from 4-6 p.m. The call to artists, entry forms and label are already on website. Tammy will print more to have available at check in.

NEW BUSINESS: Theresa told us that Dauna Roberts art class will be ending but she will host free watercolor class/paint together Thursday evenings, 4-7 p.m. starting in September at the library. The library will advertise it.

"Art Enthusiasts" will be dropping their Thursday class for the time being.

"Party In The Park" (July 13). Toy Story Theme. Curry Arts will have a booth. Julie will have kids do craft project based on character from newest movie. Tammy put forth motion that Curry Arts pay for craft supplies for this, second by Janee. Paul will provide Curry Arts banner to display at booth.

Janee told us about Amber Peoples and a call to artists for an art installation in town. It's part of Live Cultural Host, food-art-place thingy. The board felt this was a project that Gold Beach Main Street should handle.

Next meeting June 23 at the fairgrounds during Brew Fest clean-up (9-11 a.m.).
