# Calling All Potters

The United Way of Southwestern Oregon is organizing an Empty Bowl Fundraiser  
And we need your help!

We are targeting February 2020 for the event.

## HOW IT WORKS:

Local potters create custom soup bowls for the event. Our goal is to get 150 bowls. Tickets will be sold for the event, and each ticket holder will get to choose a hand crafted bowl. Potters will leave their business card in their bowls so the person who gets it will know who created their bowl.

If you are a pottery artist, and are willing to donate your time and talent to this fundraiser, please contact Beth Barker-Hidalgo, [impact@unitedwayswo.org](mailto:impact@unitedwayswo.org), or call 916-548-2579
