

# **Southern Oregon Sunsets and Night Skies Workshop**

Friday June 19th - Sunday June 21st

with Matte Hanna

Join me in June 2020 on the beautiful Oregon Coast as we photograph summer sunsets and night skies on the breathtaking beaches of Southern Oregon. With sea stacks, cliffs, and unobstructed views of the Pacific Ocean, Southern Oregon's beaches offers some of the best sunset and night photography opportunities on the West Coast. As

a local photographer in Bandon, I know the very best locations to shoot and the best times to do it.

The three day workshop will feature two full nights of shooting sunsets and night skies on the beaches of Bandon and surrounding area. On Sunday we will have a group brunch followed by a classroom instruction session on editing your photographs into beautiful finished files.

Living and shooting in the area, I have scouted and photographed Southern Oregon's best locations for years. I'm truly excited to be your personal guide to my favorite spots and teach you how to photograph them successfully with one on one instruction. Let me be your guide to the stars!

### **Group Size: 6 Students**

*This workshop is open to all skill levels from beginner to advanced. Class size is limited allowing one on one time to work with students individually catering to their skill levels.*

### **Physical Difficulty: Easy**

*This workshop will involve light hiking, locations will never be more than a mile from your vehicle. If you have any questions about the physical demands of the workshop or have special needs, please contact me.*

### **Price: \$495 (\$150 due at registration)**

*This is the price of guiding and teaching fees only. It is*

*important to note neither Matte Hanna or Art by the Sea are not responsible for your lodging or travel to each location. However there are amazing hotels and places to camp in the immediate area. \$150 is due at the time of registration to hold your spot. The remaining balance of the workshop must be paid no later than 120 days prior to the first day of the workshop. If you fail to do so, your spot in the workshop may be lost, and you will not receive a refund.*

*Should you need to cancel your attendance to the workshop, the down payment can be refunded within 120 days of the start of the workshop, minus a small processing fee. After 120 days before the workshop, the down payment is non-refundable.*

## **Whats Included?**

*Three days field and class instruction, covering composition, camera settings, editing techniques and workflow. Beautifully designed Headlamps from Third Eye Headlamps will also be provided to each student to use and bring home from the workshop. Sunday brunch is on the house.*

## **What to Bring**

*DSLR/Mirrorless Camera*

*Tripod*

*Lenses covering different focal lengths. Wide lenses with large*

*apertures are preferable for night shooting.*

*Warm clothes. The Oregon Coast brings a variety of temperatures in June and can still be chilly. Please dress accordingly. Waterproof clothing and hiking boots/ shoes will help keep you dry.*

*Laptop with Adobe Photoshop and Lightroom installed If you plan on editing photos with us on Sunday.*

*Smiles, and your sense of adventure!*
