

Call to Artists

Curry Public Library in search of an artist

For the library's annual Summer Reading event coming up, we always have a large backdrop for photos.

This backdrop is typically painted (on cardboard) and used for the full 7 weeks of the program in our main lobby.

The artwork subject, size and creativity is open to any ideas, but would be ideal if it was along the lines of The theme for this year: "Read, Renew, Repeat!"

We would like to have one made for use by early June. We can provide the paint and the cardboard.
